Loehr Announces He Will Seek Post In June Primaries

Candidate Outlines Policy For Future Of Local Community

H. G. Loehr, supervisor from the fifth Nevada County district for the past 15 years, formally announced this week that he will be a candidate to succeed himself at the June 7 primary election.

During Loehr's incumbency, many changes have taken place in the county and the position of supervisor, instead of being that of a road superintendent has become like a complicated directorship of a fast-growing, well developed, county government where millions of dollars are involved.

The candidate is well known in the eastern end of the county where he has spent most of his adult life engaged in the oil distribution business and for the past several years has been agent for Standard Oil Company here. Most of his time, however, is devoted to the business of being supervisor and he has missed few meetings, and those only because of illness or impassable highways.

That he has served his district well is evidenced in the many improvements which have been noted in the district during the past 15 years. Some of these accomplishments are noted in Loehr's statement which follows:

STATEMENT

"When elected for the fourth term to the office of supervisor, I promised to serve you and the county to the best of my ability. This I have done.

"The record will show that through my efforts desired legislation has been enacted, services to the area have been improved and law enforcement personnel increased. The welfare service in the district has been vastly improved, the personnel of the justice court increased, all the streets have been paved with the exception of a very few and many streets have been added to the system. So much for the immediate past record.

"The future of the area is now my most vital concern, and I promise you that if elected for the fifth term that I shall use the years of valuable experience which you have made possible to further your interests at the county seat.

FEW PROBLEMS

"A few of the problems currently facing the fifth district are:

1.—Establishment of a suitable county building in this area, properly staffed, to care for the needs of the district.

2.—Improvement of county streets and roads in the district and a dire need to correct deficiencies in this department.

3.—Encourage other parts of the county to establish the proper forms of districts or service areas to carry their just share of the tax load for services and thus relieve this area where districts have been formed.

"The position of supervisor has changed during the past few years from the simple position of directing road crews and attending meetings to pay county claims. The office today is one which can be likened to that of a member of a board of directors of a large corporation dealing in millions of dollars. The board of supervisors is charged by law with the responsibility of establishing,overseeing and financing approximately 50 functions of government, among other duties."

FINAL NOTICE WILL GIVE COUNTY ROAD

District Engineer Alan Hart of the division of highways has notified the Nevada County Board of Supervisors that the state will turn over the highway replaced by the freeway in this area to the county upon final notice.

This notice, Supervisor H. G. Loehr said, can be expected at any time, although he is hopeful the transfer will not be made until the end of this month. There is no definite indication just when the final notice would be forthcoming.

LOCAL STUDENTS ON COLLEGE HONOR ROLL

Four students from this area are on the honor roll at Sierra College for the semester ending last month.

Milton Cooper of Squaw Valley was second highest in scholarship on the list with 3.878, with 3.0 being a B or better, based on 12 units of work.

Those averaging between 3.0 and 3.5 were Sonja McCaskie, Jane Pugh and Joann Wray, all of the Tahoe City district.

GIRL IS INJURED BY FALL AT ICE ARENA

SQUAW VALLEY—A 13-year-old Sacramento girl fell down the stairs at the Olympic Ice Arena Saturday.

She was taken to the Tahoe Forest Hospital.

Her father, Lester Parker, said Susan was with her sister, Judy, 15, when she apparently tripped and fell on her back.

Cardinal McIntyre Will Dedicate New Church In Valley

Cardinal James Francis McIntyre, archbishop of Los Angeles, will arrive here February 17 to dedicate Our Queen of the Snows Catholic Church at Squaw Valley at 4 p. m. when he will perform the solemn blessing of the Statue.

During the ceremony, Father P. J. O'Neill, pastor of the local churches, will say mass and Father Edward Cavanaugh of Sacramento will serve as deacon, with Father James Mulligan, also of Sacramento as sub-deacon. The master of ceremonies will be Father Leo McAllister, formerly of Truckee.

Among the speakers will be Bishop Robert J. Dwyer of Reno and Bishop Joseph McGucken of Sacramento and the cardinal's assistant, Msg. Benjamin Haux and the bishop's secretary, Father William Slakey.

Immediately following the dedication ceremonies during which the bishop's boys' choir and the priests' choir from Sacramento will sing, under the direction of Antone Dorndorf, the skiis will be blessed at the Blyth arena where mass will be conducted by the cardinal, bishops and priests.

Local Skiers Win Two-School Meet

By KRIS FELTE

Host Tahoe Truckee High School won a two school ski meet Saturday by defeating the Miners of Manogue by the score of 20-17 in the California-Nevada Interscholastic Ski Federation held at Hill Top Lodge.

The Wolverines copped the morning show by scoring a 12-6 victory in the cross-country meet. The locals took the first five places with Dave Kettenhofen and his younger brother, Bob, taking the first two places. Other participants to place for Truckee were Nick Stone, Doug Ball and Randy Pomin while Mike Burk took seventh place. Brad Graber of Manogue placed sixth and all other Manogue skiers were behind him.

In the jumping event, which was won by Manogue, Brad Graber and Dave Kettenhofen tied for place, each of them getting 77½ total points. Third place went to George Ardans who got off the longest jump of the day which was 82 feet. Bill Conners who was not jumping on his own skiis took fourth place. Bob Kettenhofen, Randy Schultz, Mike Burk and Robert Hobbs volunteered in necessity to jump for the first time in competition as three of Truckee's best jumpers were absent.

Tahoe Truckee Coach Eugene Goodrich, stated that the cross-country meet was tremendous as we took the first five places. He also said that Dave Kettenhofen was the individual combined winner as he took firsts in the cross-country and jumping. This will be the last time that he will be skiing for the Wolverines as he is graduating at mid-term.

TWO BABY BOYS ARE BORN AT HOSPITAL

Two baby boys will be added to the area's census following their arrivals at Tahoe Forest Hospital during the past week.

William David joined his parents, Mr. and Mrs. David Ellis of Kings Beach, January 27. His first weight was nearly 9 pounds.

Mr. and Mrs. Ralph Daniels of Truckee became the parents of a son February 2. He tipped the scales at 6 pounds, 10½ ounces on arrival.

POWER FAILURE IS CAUSED BY TREES

A local power failure shortly after 5 p. m. Monday put the entire district in darkness for 15 minutes. Daven Morey, manager for the Truckee Public Utility District, said the trouble apparently was on the Pacific Gas & Electric Company system west of the summit.

On the same night the North Tahoe area was dark for nearly three hours when trees were blown across power lines.

Visit Son—

Mr. and Mrs. R. S. Rhoades, Sr. visited their son and family over the weekend on their way to Los Angeles for a winter vacation. They enjoyed their stay at the Gateway Motel and the sights in Squaw Valley.

Basketball Team Wins One, Loses One In Weekend

Douglas Wins 55 to 23 As Wolverines Easily Beat Stewart

By KRIS FELTE

A strong Douglas Varsity Friday handed the Tahoe Truckee Wolverines their fifth loss of the season 55-23 while continuing to lengthen their league lead of five wins—no losses.

Opening the first quarter Truckee played a good floor game, but had no board control as Douglas' 6 foot 8 inch center Bill Kinkel took the majority of rebounds and scored seven points. The score at the end of the first quarter saw Douglas leading 16-11.

Douglas came out for the second period with something on their minds as they scored 19 points while holding the visitors to only three. This surge was mostly a team effort, but Roger MacDonald sank three field goals to lead the Douglas scorers.

Truckee could not hold the hot Douglas team as they increased their lead to 44-17 at the end of the third quarter.

The Tigers went wild on free throws in the last stanza hitting four for eight. Francis Thomsen hit for five points in helping Douglas increase their lead. At the end of the game the scoreboard read Douglas 55, TahoeTruckee 23.

Truckee could not contain Douglas they scored 24 field goals and

(Continued on Page 8)

Admission Charge To Valley To Start

Starting Saturday, adults will be charged $2 each and children under 12, 50 cents each to enter Squaw Valley, H. D. Thoreau, managing director announced.

There will also be a $1 fee for parking each car.

These prices will prevail until the opening of the games on February 18.

The state Sunday took over the operation of the facilities in the valley and all revenues will be for the state. The charge being made may be discounted from the charge on ski lifts and tows.

Credentials will be issued for those working or having other interests in the valley and buses are now being employed to transport workers from their homes at Reno, Truckee and other surrounding communities.

BUSES WILL CARRY VALLEY PASSENGERS

Western Greyhound Lines this week announced a bus schedule between Reno and Tahoe City via Truckee and Squaw Valley for transporting spectators to the 1960 Olympic Winter Games.

The schedule will start tomorrow. Fares from Truckee to Squaw Valley and return will be $4, plus tax and from Tahoe City to Squaw and return $2.27 plus tax.

Buses will leave Reno at 7 a. m. and leave Truckee at 8:15 and 11:45 a. m. and 2:15 p. m. arriving at Squaw Valley at 8:45 a. m. and 12:15 and 2:45 p. m.

CIVIL AIR PATROL TO HOLD MEET TUESDAY

A meeting of the Civil Air Patrol will be held February 9 in the basement of the Church of the Mountains when Capt. Gordon Melcher, wing Chaplain Hurst and Capt. Ray Vorhaur of the Reno air squadron will show films and explain the organization's aims.

Women as well as men will be welcome to join the group. Refreshments will be served at the close of the meeting.

WALTER HAUG WILL AID OLYMPIC STAFF

Walter Haug, former manager of the Sugar Bowl and now operating the San Simeon Lodge at the foot of San Simeon Castle, has arrived to assist in the tow operation at Squaw Valley during February.

A former Olympic contestant, Haug is thoroughly familiar with the task at hand. Mrs. Haug is operating the southern resort during her husband's absence.

SUNBEAMS

By WALTER M. BARRETT

Merchants and other business people at North Lake Tahoe have spent hundreds of dollars to place banners and flags along the streets and highways as a decoration for the Olympic Winter Games, a fitting gesture and one worthy of the area. However,it has come to the attention of authorities that these expensive flags and banners are being ripped down, destroyed and stolen by vandals who apparently have little respect for anything. They are even entering businesses to steal the decorations. While some have been apprehended, there are others still active and authorities promise maximum punishment for those apprehended. Merchants are appealing to the vandals to forego what little pleasure they might derive from the practice and let the flags stand for what they are intended —a salute to the thousands of visitors in the area during the games.

With buses hauling workmen and officials to Squaw Valley daily, a number of people are driving to Truckee from surrounding areas, parking their cars on the main street and taking the buses. This is surely unfair to the local merchants and those who wish to shop in stores along the street. As a result of this condition, two-hour parking signs are being installed and enforcement will start in the immediate future. The law applies only to the north side of the street but in all fairness to others, those who are using either side of the street as a permanent parking space, are asked to be cooperative.

LAST RITES HELD IN SACRAMENTO FOR MRS HARRIET LEITCH

Last rites were held Monday at Sacramento for Harriet Leitch, mother of Arthur P. Leitch, manager of the Pacific Telephone Company at Placerville and formerly of Truckee and Col. Kenneth H. Leitch,state selective service director. Cremation followed at East Lawn. Mrs. Leitch had many friends in the Truckee, Lake Tahoe area having been a frequent visitor while her son,Arthur was a resident here.

The deceased had lived in Sacramento for 57 years, living in the same home since 1914. In 1909, with her late husband, Colwell P. Leitch, Mrs. Leitch established an ostrich farm in the block bounded by 10th, 11th, W and X Streets. She moved the farm to the Norwood area, in what is now the center of North Sacramento, when her husband died in 1914.

The farm was operated until ostrich plumes went out of style in women's garments. She disposed of most of the property in 1917, and in 1919 went to work as accounting supervisor for State Fish and Game Commission, a post she held until 1947.

She was a native of Ohio, and lived many years in Arizona, where her husband was in the cattle business and was secretary of state. The couple operated an ostrich farm in San Jose before moving to Sacramento.

She was also stepmother of Mrs. Elizabeth Ralph, Mrs. Helen Lansberg, and Robert P. Leitch; grandmother of Sandra Jane Leitch.

CHICKEN DINNERS AT HILL TOP FEATURED

An innovation at Hill Top Lodge is the introduction of broasted chicken dinners and broasted chicken to take out, the managers, Mr. and Mrs. Eugene Stark announced. The local lodge was recently opened after several months of extensive alterations and remodeling and now offers an attractive setting for winter sports fans.

The rope tows and Pomalift are operating daily and the public is invited to inspect the new and modern facilities.

WINS VACUUM

A. Marri, of Truckee, has been awarded the vacuum cleaner given away by Z Markets in a contest which was open to all without cost.

Emergency Fund For Games Gets Favorable Action

Bill Passes Both Houses By Narrow Margin For $1,000,000

By a vote of 54 to 21—the exact number required—the assembly on Wednesday passed the $1,000,000 emergency appropriation bill to provide a "cushion" fund for the 1960 Olympic Winter Games.

SACRAMENTO — A bill establishing a $1,000,000 emergency fund to insure uninterrupted staging of the 1960 Winter Olympics passed the senate Monday within five hours after Gov. Edmund G. Brown authorized its consideration in a special legislative session.

The measure introduced by Senator Ronald Cameron of Auburn, was approved 27 to 9, giving it precisely the two-thirds vote it had to have for passage. It now goes to the assembly.

Still another $1.25 million was asked by the Governor in his budget for standby operations, and some development of the Squaw Valley site after the games.

Proposed construction projects, to improve the faciilties for year-round public use, include a parking lot, conversion of an athletes' dormitory into a motel, revamping of the heating system and construction of a swimming pool.

The $1.25 million in the Governor's budget included an estimated $225,000 to acquire property from Squaw Valley's biggest landowner, Wayne Poulsen. The state also may acquire holdings from Alex Cushing, Squaw Valley resort owner who initially launched the international campaign that brought the 1960 Games to California.

Last Rites Held For Mary Planett

Graveside rites were held at Trail's End Cemetery at Tahoe City Monday afternoon for Mrs. Mary B. Planett, 87, pioneer Lake Tahoe and western Nevada resident, who died at the Roseville District Hospital Thursday following a brief illness.

Mrs. Planett, who would have been 88 years of age next July, was a native of Denmark, but had lived at Tahoe and in Nevada since 1919. She and her late husband, John, operated resorts and bakeries at Tahoma, Tahoe Vista and Carnelian Bay for several years. Planett died in 1939.

The deceased is survived by a son, Fred of Roseville and a daughter, Mrs. Marie Henry of Tahoe City. Patricia Fox and Albert Henry, Jr., of Tahoe are grandchildren and Gary and Karen Henry and Mary Tabor Griswold are great grandchildren.

The services here were held under the direction of the Truckee Colonial Mortuary, followed by private services in Roseville.

Sympathy of the community is extended to the survivors.

AVALANCHE EXPERT HURT IN EXPLOSION

Dick Stillman, avalanche expert and snow safety chief for the Winter Olympics, was out of action for a week and treated at the Tahoe Forest Hospital for a shrapnel wound in the left thigh.

Stillman was blasting cornices off KT22 peak last week when he was struck in the thigh by shrapnel from an exploding torpedo. He and two members of his crew were 200 feet from the blasting area.

Stillman is on leave from the forest ranger station at Berthoud Pass, Colorado.

EXCELLENT SKIING ON SUMMIT IS REPORTED

SUGAR BOWL—With 85 inches of snow on Mt. Lincoln and 72 inches on the valley floor, skiing is reported excellent at Donner Summit areas.

With snow conditions permitting, the Sugar Bowl will run the Eagle Standard test, the first one of the season, next Sunday, Manager John O'Rear announced.

Both the New Zealand and Argentine Olympic teams have been training at Sugar Bowl.

Hospitalized—

Reg Smart has been receiving treatment in Tahoe Forest Hospital following a recent illness.

Seniors Lead High School Honor Roll In Last Semester

Seniors led the honor roll at the Tahoe Truckee High School during the semester which just closed with a total of ten, followed closely by the freshmen with nine. The sophomores were third with seven honor students and the juniors trailed with five.

The honor students were listed as follows:

9th Grade

Craig Beck, Stan Lambert, Al Eberhardt, Rick Cinani, Susan Moyer, Sandra Fellows, Janice Roth, Pat Saarni and Dennis Whiteneck.

10th Grade

John Holly, Marcia Keeler, Frances McGwinn, Dorette Rose, Karen Smart, John Stephani, Donna Stumbo.

11th Grade

Donna Barnes, Moira Burke, Linda Davis, Varien Frey and Katherine Gerlitz.

12th Grade

Linda Morrell, Judith Beck, Sherry Thatcher, Joan Uhlott, Larry Jellin, Carol Bailey, Doug Ball, Richard Brown, Lydia Craig and Judy Fanger.

Ellen Rich Heads Rainbow Order

Ellen Rich was installed as worthy advisor of Hope Assembly No. 18, Order of Rainbow for Girls, January 31, at 2 o'clock in the Masonic Temple.

Other officers elected are worthy associate advisor Joan Brown; charity; Tina Gruendemann; hope, Donna Barnes; faith, Karen Smart; chaplain, Carol Hampton; drill leader, Varien Frey; love, Vicki Rich; religion, Janice Roth; nature, Dorette Rose; immortality, Blanche Ploof; fidelity, Renee Hall; patriotism, Judi Loder; service, Vicki Firpo; confidential observer, Evelyn Hintz; outer observer, Kittie Ellis; musician, Kaytie Corbin; choir director, Linda Critchley; choir, Liane Kay; Candy Board, Kathy Seaquist, Carla Baxter, Lynn Stabin, Barbara Kheen, Betty Christiansen, Sandy Shaw, Karen Critchley, Sandy Van Sickle, recorder, Steffie Firpo; lecturer, Diane McGihon; rainbow flag bearer, Sheila Bacus; United States flag bearer, Cheryl Wheeler.

Installing officers included Kaytie Corbin, Joanne Van Hooser, Lydia Craig and Dinda Morrell. Mrs. Hilda Hintz was the musician and Mr. and Mrs. D. McGihon were hosts of the evening.

DEER KILL HIGHER DURING PAST YEAR

According to the final deer report recently released by the department of fish and game, Nevada County was in 18th place in the number of deer killed during the 1959 session.

The report shows that 1227 deer were reported validated for 1959 as against 1028 for 1958 and a five year average of 1147.

Archers in Nevada County accounted for only two in 1959 and three in 1958. A total of 233 were killed in the state by these Robin Hoods last year and 251 in 1959.

Hunters in the state reported 73,483 deer killed in 1959, a gain of 14,814 over the 1958 season and were well above the five-year average of 68,255. Lassen County headed the list with a total of 5,348 reported, followed by Siskiyou County with 5,278 and Merced County with 3,655.

COUNTY FAIR WILL RECEIVE STATE FUND

SACRAMENTO—(CNS) — Appropriation of $29,000 for the 17th district agricultural association, which conducts the Nevada county district fair at Grass Valley, is asked in the 1960-61 state budget submitted to the legislature.

The district starts the year with $91,070 available funds. The state appropriation and other revenues is expected to bring total available funds to $135,852 during the year.

Expenditures are estimated at $85,679, leaving an estimtaed balance of $40,173 at the close of the year.

WYETHIA TO MEET

A no-hostess luncheon and business meeting of the Wyethia Women's Club will be held at Brown's Cafe tomorrow (Friday) at 1 p. m. All members are urged to attend.

Highway Reopens After Slide Hits In Baxter District

Superintendent Says Road Will Remain Open For Games

BULLETIN

The westbound lane of Highway 40, closed three miles east of Baxter since Monday because of a gigantic earth slide, was reopened yesterday afternoon at 4:15, Frank Fox of Truckee, superintendent for the division of highways in this district, reported.

However, workmen are still toiling around the clock to prevent a recurrence of the trouble.

"The road is not only open, it's going to stay open," Fox declared. "This is definitely a must."

Draglines, bulldozers, big trucks and other heavy equipment was rushed to the scene to clear the slide.

With the Winter Olympics two weeks away, state highway crews are working round the clock to clear a massive mudslide that blocked westbound traffic lanes on Highway 40 in the Sierra Nevada.

The slide, reportedly caused by underground water, oozed down across the highway early Monday —and is still oozing in a ribbon of red clay some 500 feet long, 300 feet wide and from 15 to 20 feet deep. It is 3 miles east of Baxter.

Eastbound traffic lanes are open but westbound vehicles, highway officials said, are being routed down Highway 20 to Nevada City and thence down Highway 49 to Auburn.

Frank Fox, division of highways superintendent for the Truckee territory, said the mud is "so soft you can hardly walk on it with snowshoes." Cause of the slide. Fox said, is underground spring water that caused the upper level of the mountainside to slip out of place.

Lending urgency to the work are the forthcoming Winter Olympics at Squaw Valley, February 18-28. "We've just got to have it open," Fox said, noting lights have been installed so crews can work through the night.

Nothing can be done to halt the mud higher up, Fox pointed out. The only way to clear the road is to keep scooping away the slide's lower end.

Road surfaces weren't damaged, Fox explained. Reports eastbound lanes were cracked are "erroneous," he added, and the slide hasn't harmed the westbound pavement.

Traffic on the three-lane eastbound freeway section the portion of the new freeway open to travel, is confined to the extreme right hand lane. Westbound traffic was using the old highway until Monday.

STATE SEEKS BIDS FOR GOLD RUN LAND

The state division of highways has asked for sealed bids for the purchase of three buildings and 156 acres adjacent to the west side of U. S. Highway 40, about one mile west of Gold Run. Bids will be opened February 15 at the Marysville district office.

The property is a portion of that which was acquired by the state in connection with freeway construction completed last summer. The rectangular-shaped plot is not needed for highway purposes and contains a concrete block house, garage, and unfinished cabin.

Minimum acceptable bid is $9,350, and minimum deposit regardless of bid, $1,008.90. For further information contact Division of Highways, 703 B Street, Marysville; SHerwood 3-5421, Extension 358.

LINDA PERRY WILL SERVE U.S. IN SEOUL

Mrs. Maude Gaffield received word of the arrival by jet airplane of her granddaughter, Miss Linda Perry at Seoul, Korea where she will spend two years on a United States government staff.

Miss Perry lived here as a child with her parents, Mr. and Mrs. Fred Perry, now of Tahoe Valley. She was employed in Sacramento following her graduation from university and within recent months received training at Washington, D. C. to acquaint her with the official duties of her new position.

SWISS CLUB TO OPEN HERE ON SATURDAY

The Swiss Club at Truckee will hold its grand opening Saturday, February 6 with Arnold Inderbitzen and Karl Kuttel as new owners of the establishment.

The interior of the building has been recently renovated, Inderbitzen announced and an exterior name sign has been added to the premises. The hosts have resided in this vicinity for several years and will welcome their friends on the evening of their opening.

Sister Is Guest—

Rev. George Symons and Mrs. Symons have had as their house guest his sister, Miss Avis Symons a student at Chico State College.

West Shore Notes

By NINA SLADE
LAmbert 5-7751
P. O. Tahoma, Lake Tahoe

It was heartening to hear many favorable comments on the Sierra Sun's editorial last week concerning the great benefit to California and to this area which the Olympic Games has created. An optimistic note in a sea of pessimism which has washed all shores too long. Abetting Editor Barrett in his positive attitude is John Henry Auran in February Ski magazine, who says: "Squaw Valley, if a little nationalistic pride is in order, is the product of American salesmanship, ingenuity and know-how at its best . . . in an era where it is fashionable, even among the natives, to sport an excessive degree of skepticism about anything American, even the expatriates must admit that the very national characteristics which give them gooseflesh have given birth to a Winter Olympics site which future hosts to the Games will find hard to match . . but to ascribe Cushing's success to either gall or luck is to shortchange the man. Having once caught the Olympic tiger by the tail, he followed through and delivered—albeit not without some of the hottest controversies in Olympic history." Now that the Olympic curtain is about to up, it behooves all of us to be boosters, not baiters.

* * *

Marshall Ruhkala and family are visiting in the south with their families.

* * *

Marie Henry visited Stella and Bill Watson at their lovely home in Gold Hill which overlooks a wondrous vista of the Sacramento Valley and the surrounding hills. Stella sends greetings to her many friends here. Marie was in the area on a sad mission, the death of her mother, Mrs. John J. Planett, of Roseville who came to Tahoe in 1919.

* * *

Hans Osterud of Tahoe City won the Class B Snowshoe Thompson Cross County Memorial competition last week taking three hours, 28 minutes and 21 seconds over the 18 mile course.

* * *

Friends are welcoming Mrs. Pat Riley of Los Angeles back to the Valley.

* * *

Ray Huston of the Valley was called to Portland, Oregon last week because of the death of his father.

* * *

Mrs. J. Phillip Murphy and daughter Jeanie are at their Squaw Valley home entertaining guests and enjoying the winter sports.

* * *

Mrs. Clarence Mayhew is at her home near Tahoe Tavern.

* * *

Manager Al Brune and his staff of 60 report the Tahoe Tavern open for the Olympics and solidly booked for the Games. This is the first time in many years that the Tavern has been opened during the winter.

* * *

Red Anderson, Floyd Carnell and others of Tahoe City trekked to Carson City last weekend to get in some golf.

* * *

Found the co-managers of Tahoe Tavern Heights busy in the Squaw Valley Inn kitchen trying out a new cookie recipe. This handsome Inn has breathtaking vistas of the Valley from every window.

* * *

Mrs. Oliver Corona is busy at the Olympic Valley Post Office and all set for the February rush when the athletes will start streaming in. Pretty Mary Ellen Dobrynski is assisting Mrs. Corona Mail volume, so far, has been quite heavy there.

* * *

Karl Seeger, Sacramento, Robert Eisenbeis, San Francisco, and Beryle Ferriera are at the Bank of America, speaking German, French and Italian among them. During the Games the bank will have nine linguist clerks to serve international patrons.

* * *

Alice Ann Wirtz reports business brisk at her Squaw Valley post office. The lobby there boasts a huge pot-bellied stove with a bench all-round, reminiscent of the old country store.

* * *

Cheers for California's Bill Disney of Alhambra who beat the world speed skating record at Squaw last week in 500-meter time trials at the Olympic ice oval. Time was 40.0, 40.1 seconds, just one-tenth of a second under Russia's Yevgeni Grishine who won at Cortina in 1956.

* * *

Glad to know the homing pigeons are training for the Games, too. Two thousand birds will substitute for doves of peace at Disney's pageantry for the opening ceremony on February 18. One group made the return trip to Oakland and San Francisco in 3 hours and 30 minutes. The longest way home is for the Los Angeles contingent — about 400 miles. At least three travelers will meet few traffic problems. They won't need chains, but might meet de-icing problems.

* * *

The U. S. Marines are meeting an unusual emergency by helping pack the snow for the Olympics under the direction of Willy J. Schaeffler. Nearly 200 Marines from Camp Pendleton are on the job from 14 to 16 hours a day. Schaeffler says it takes 400 men and several snowcats to pack down one foot of snow for the men's downhill course.

The Tahoe Women's Club are readying their Hospitality House at the Tahoe Bridge "Y", in the Beardsley Real Estate Office which will be open daily from 10 a. m. to 6 p. m., February 16 to 28. The ladies will furnish information on the Olympics, tickets, Tahoe area maps and pamphlets. The club members are justly proud of Mrs. Paul Curtis of Pineland who recently received the second award in an art show of the Sutter District. Striving for a 100 per cent record, members are urged to contact Gertrude Wilt, pin chairman, for the Federation Club pins. Members are urged to buy and wear the club pin..

DONNER DOINGS

By VIRGINIA O'BEAR

A delightful birthday party was held at the home of Mr. and Mrs. George Wurst in honor of their daughter Jill, last Friday evening. Helping Jill celebrate her tenth birthday were Pamela Horman, Karel Sauby, Diane Daly, Linda Russell, Allison Spillner, Kathy Worley and Jennifer O'Bear. After the children played several games, enjoyed ice cream and the birthday cake and after Jill opened her gifts, Wurst took all eight little girls to see the movie, Hercules.

Mr. and Mrs. Danny Brack are now making their home at the Cottage Pines Motel after purchasing the share of Wayne Heitz, former partner of George Brack, Danny's father. Also living in the Brack home is Pat the daughter of George Brack. Pat had been living in Larkspur and working in a beauty shop but decided to spend some time with her father and help with the motel.

* * *

Mr. and Mrs. Arnold Verdi are busy remodeling and fixing up their home and motel that they recently purchased from Mr. and Mrs. Roy Teel. We folks at Donner Lake are very happy to have the Verdis as permanent residents as they are both very ambitious and interested in what is going on at Donner Lake. Besides this, they are very friendly and pleasant to associate with. We will all miss Roy and Betty Teel who are now making their home in Colfax but they said they would be back visiting often.

* * *

We had unexpected visitors over the weekend. Charlie Clark came up from Santa Rosa with his daughter Carol and son "Speed." The three spent a week with us last summer and ten days over the Christmas holidays and just think Donner Lake is a paradise. They have their home up for sale in Santa Rosa and as soon as it is sold, will move to Donner Lake.

* * *

Three young ladies from Donner Lake, Pamela Horman, Sandy Davis and Jennifer O'Bear, along with Karel Sauby from Meadow Park, danced at the Crystal Bay Club last Saturday night for the March of Dimes. They danced the Tennessee Wig Walk number for the huge crowd gathered there for the March of Dimes event. A large entertainment program was all donated by professional and amateurs. Miss Renee Hall danced a Persian number in a beautiful costume and this was her third year to dance there for the March of Dimes. The little Tapia twins, Patsy Dee and Lonny Lee, daughters of Dr. and Mrs. H. P. Tapia of Truckee, danced a Scottish number that was just darling with their Scottish costumes.

* * *

Donner Lake Resorts held a special meeting at Donner Lake Lodge Monday evening with Ivan Tofft presiding. The main purpose of the meeting being held a week early was to get together on the decorating for Donner Lake. The members voted to purchase some pennants and a banner for Donner Lake Resorts and several of the members are purchasing individual Olympic flags for personal use. Donner Lake will be decorated within ten days, so it should look quite colorful when the heavy traffic drives through Donner Lake on their way to the Olympic Games. The next meeting is scheduled for March 6 and will be a dinner and business meeting at Donner Lake Lodge.

WANTED:
SEASONED TRUST DEEDS
P. O. BOX 1297
TRUCKEE, CALIFORNIA

OFFICIAL OLYMPICS FAMILY IS WHOPPER

SQUAW VALLEY—This Winter Olympics family is a whopper—7,350 men and women at latest estimate the Associated Press reports.

Managing Director H. D. Thoreau figures in his official brood 300 members of his staff, 600 soldiers, sailors, marines and airmen, 700 volunteers, 700 newspaper, radio and television people, and, of course, 900 athletes plus their 200 managers, trainers and team officials.

Then there are 1,400 high school musicians who will perform in February 18 opening day ceremonies along with a massed California-Nevada high school chorus of 2,400.

The "family" also includes such people as forecasters in the U. S. Weather Bureau station here.

Utilities such as telephone, telegraph and power provide 150 additional people.

Volunteers will police the courses, help run the events, man the first aid stations and even entertain the athletes.

Not counted in Thoreau's family are 600 California high school runners who, going one mile each, will bring the Olympic torch from the Los Angeles Coliseum, site of the 1932 summer games.

Thoreau counts his family as anyone in the valley in an official capacity, anyone getting in without having to pay the $7.50 daily entrance fee.

Members will be receiving statements soon for their dues as the quarterly dues are payable for February through May.

* * *

Don't forget to reserve February 11 because at Donner Lake Lodge at 7:30, the Ladies Auxiliary of the Donner Lake Volunteer Fire Department will meet. That night, members will elect officers for the coming year after the dinner and brief business meeting. Members who were unable to attend the last meeting and purchase vanilla and pepper, may do so at the next meeting because there is still some left. The board of directors meeting will be at the home of Joan Conley if any members wish to attend. It will be Monday, February 8. Let's all go to the meeting on Thursday night, February 11.

Advances Rank—

Jerry Beck arrived in Germany with the U. S. Armed Forces and about the same time was advanced to the rank of PFC. He has been in the service for the past year and is the son of Mr. and Mrs. Olaf Beck of Truckee.

The California Cattle Feeders Association, with headquarters at Los Angeles, was established in 1953.

ANDREA LAWRENCE TO CARRY TORCH

SQUAW VALLEY—Mrs. Andrea Mead Lawrence, two-time Gold Medal Winner in the 1952 Olympic Winter Games at Oslo, will ski the Olympic torch down Little Papoose Peak during the opening ceremony of the VIII Oympic Winter Games here February 18, it was announced today by Walt Disney, director of pagaentry for the organizing committee.

Mrs. Lawrence, whose husband Dave, is tne coach of the U. S. ladies Alpine team, won both the slalom and the giant slalom in the 1952 Winter Olympics.

At a key point in the opening ceremony, Mrs. Lawrence will bring the torch downhill, escorted by eight national ski patrolmen bearing smoke flares.

Upon reaching the speed-skating oval, Mrs. Lawrence will hand the torch to Kenneth C. Henry, who won a gold medal in the men's 500-meter speed-skating competitions at Oslo. Henry will circle the oval, then mount the rostrum at the Tower of Nations to light the Olympic Flame. The flame will burn throughout the games.

The Pulgas Water Temple of the San Francisco Water Department in San Mateo County is the terminus of 138 miles of aqueduct extending from the Sierra to the Bay Region.

The sermon topic: "Breaking The Unsound Barrier."
This Sunday will be Communion Sunday, and the regular meeting of the official board will follow the service.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse. Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Universal brotherhood will be a theme dealt with at Christian Science services this Sunday. Peter's awakening to a higher sense of brotherhood highlights the lesson-sermon entitled "Spirit."
The account of Peter's meeting with the centurion called Cornelius will be read, including the following: "Then Peter opened his mouth, and said, of a truth I preceive God is no respector of persons: But in every nation he that feareth him, and worketh righteousness, is accepted with him" (Acts 10:34, 35).
A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states in part: "God gives the lesser idea of Himself for a link to the greater, and in return, the higher always protects the lower. The rich in spirit help the poor in one grand brotherhood, all having the same Principle, or Father; and blessed is that man who seeth his brother's need and supplieth it, seeking his own in another's good" (518:13-19).

TRUCKEE BIBLE CHURCH
(Non denominational)
Rev. Roy S. Rhoades, Pastor
Sunday School, 9:45 a. m.
Morning worship 11 a. m.
In Scripture our Lord is called "a stumblingstone and rock of-fense" to those who refuse to believe Him. Man's pride will not allow him to accept as Lord one whose destiny was the cross and a visage marred more than any other man. The Gospel message still carries the image of the cross and many remember only the humiliation of the man of sorrows and consequently, they have never experienced the redemptive power of the resurrection. In preparation for the communion service next Lord's Day the message will be entitled: "The Offense of the Cross."

Woman's Society of Christian Service: First Wednesday, Truckee, 8 p. m.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER
Weather has been rain and sleet most of the week, cloudy and wet. Monday, and more snow, still wet.

MARCH OF DIMES
Bernita Jones, says the Mother's March of Dimes on Friday night was very successful. Members of the Auxiliary to V. F. W. Post No. 7077 participating with the able assistance of a few fathers. The amount collected as well as totals during the drive will be published at a later date.
In connection with the above, a talent show was given at the Crystal Bay Club Saturday night with a buffet, served by the club later. This was well attended and the members of the post and auxiliary are very grateful to everyone for contributions so generously given.

FLAGS
It is disheartening to see the Olympic flags and decorations stolen from our places of business and streets, but good news to know that some of culprits have been apprehended by our deputy sheriffs.

DEATHS
Bill Lund of Stockton and summer resident of Tahoma, Lake Tahoe, passed away January 22. He had many friends among the trapshooters club in this area. His wife, Grace, survives him.
Carl Sorenson of Auburn, died January 30 at his home. He was an early day blacksmith there and leaves his wife, Beatrice. He is a cousin of Carl and Andy Sorenson of Tahoe Vista.

NEVADA COUNTY HAS STAKE IN BUDGET

SACRAMENTO — (CNS) — Nevada County will have a $11,214,000 stake in the new $84 million federal budget presented to congress this week, or about $569 for each person in the county.
This was the estimate of the California Taxpayers' Association, which said Californians will pay nearly $8,375,000,000, or more than 10 per cent of the total budget.
The budget estimated expenditures at $79.8 billion and income at $84 billion. S. J. Arnold, CTA general manager, noted the intention of President Dwight Eisenhower to apply the expected surplus of some $4 billion against the $290 billion federal debt.

TELEPHONE COMPANY INSTALLS COMPLEX FACILITIES IN AREA

While Pacific Telephone multiplied Squaw Valley telephone facilities for the Olympic Games to equal those of a city of almost 40,000, it also tied in sports needs to meet the population growth of the area.
The job included laying a cable line from Truckee—where Pacific Telephone's cross-continent cables are located—to Tahoe City.
From Tahoe City, the cable continued to Squaw Valley. Squaw Valley, in turn, was one terminus for another cable route the 12 mile distance back to Truckee.
The job of getting the Truckee connection to Tahoe City alone cost an estimated $1,193,000. Most of the line was laid underground, since overhead wiring is periled by snow.
The job even called for a seven-mile stretch of submarine cable on the floor of Emerald Bay.
In addition to other beefed-up facilities, Pacific Telephone constructed new offices at Tahoe City and South Tahoe.
On the floor of Squaw Valley—scene of the forthcoming Winter Games—12 miles of cable was buried. Equipment investment bordered on $1,500,000.
Special phone features at the games site included:
Two telephone centers, staffed by eight multilingual phone girls, capable of speaking French or German.
One center provided 10 public phones in a 40-foot house trailer.
The other provided six phones for use of athletes and officials in the Athletes' Center.
A special equipment building for press teletype, telephono, television, radio, long distance relay and other private line equipment.
This building houses gear by which TV beams can be bounced from the floor of the valley to the top of one of the ski runs, KT-22, for relay to Mt. Rose, near Reno, and eventual incorporation into the CBS network.
Effect of devélopments both within and outside of the valley has been to improve communications around the lake. Such improvements are in keeping with demands of Lake Tahoe's growing development as a year-round residential area.
Pacific Telephone expects to have more than 13,000 phones in the region by 1964. Only half that number is located there now.
The official phone number, designated for VIII Olympic Games, 1960, is OLlympic 8-1960.
The cost of equipment on the floor of the valley is $1,500,000.
Outstanding jobs needed to beef-up facilities in the Tahoe area, including seven miles of submarine cable at Emerald Bay, amounted to $1,193,000.
There are 12 miles of cable on floor of valley. That is almost 100,000 feet, or about 60,000,000 feet of wire.
There will be 1,200 telephones at Squaw Valley, including 10 public phones.
Some 1,000 employees have been involved in planning and installation since network job was started in 1956.
A total of 100 phone employees will be assigned to the Winter Games.
There are some 400 phones at press headquarters.
Radio facilities will be able to broadcast to almost 40 nations.
A special 60-line fire switchboard has been installed. Red phone boxes are located at key buildings.
A special Squaw Valley telephone booklet, listing calling rates for more than 30 nations and offering other information has also been provided.

Scientists cannot predict earthquakes; they can only indicate regions in which earthquakes are most likely to occur.

The first olive tree cuttings were introduced in California from Mexico by the Franciscan padres in 1769.

NOTICE TO BIDDERS

Notice is hereby given that the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, will receive sealed bids up to but not later than 5 p. m., on February 5, 1960, for foreign language electronics laboratory, in accordance with plans and specifications now on file in the office of said Tahoe-Truckee Unified School District Superintendent, located at Tahoe-Truckee High School, Truckee, California all prospective bidders are hereby referred to said plans and specifications.

Said bids will be publicly opened and read aloud at the above stated time and place. Each bid shall be made out on Bid Forms to be obtained at said office and must be accompanied by a certified check, or money order for ten per cent (10%) of the amount of the bid, made payable to Tahoe-Truckee Unified School District, Truckee, California. Said certified check or money order shall be given as a guarantee that the bidder will enter into a contract or any part thereof if awarded said bid, and will be declared forfeited if the successful bidded shall refuse to enter into said contract after being requested to do so by said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California. Delivery must be made F. O. B. to the Tahoe-Truckee High School, Truckee, California.

Said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, reserves the right to reject any and/or all and any part or all of any bids and to waive any irregularities.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

DONNER SUMMIT NEWS

By DONNA I. POWER

SUGAR BOWL

The Sugar Bowl ski area this weekend had the largest number of visitors in its history. On Sunday the Magic Carpet carried 15,000 visitors. The New Zealand Olympic Alpine team and their temporary coach Kiwi Laller spent Tuesday and Wednesday training on the slopes of Mt. Lincoln. Emo Henrich returned Sunday from Alta, Utah where he spent a week training Peter Brockhoff, Christine Davy, and Bill Day, members of the Australian Alpine Olympic team. The Australians were not allowed to enter the American National ski meet held in Alta, however, they were all three forerunners for the courses and did very well. Also training this week at Sugar Bowl is Francisco Jerman a cross-country member of the Argentine Olympic team.

SCHOOL CLOSED

The students and teachers of the Donner Trail School are enjoying this month a relaxing vacation. James Simmons principal of the school will be working at Rowton's service station in Soda Springs on week days and will work on the ski lifts at Sugar Bowl on weekends. Mrs. Olga Lyddane who is the school cafeteria cook together with her daughter Barbara is visiting her mother and friends in Redwood City for a week. The school bus driver Frank Zoll will keep an eye on the school building and do a few needed repairs to the building. On weekends he will continue to help out at the Soda Springs Skate and Ski Shop. Primary teacher Donna Power will spend her vacation as a reporter for the Associated Press in Squaw Valley. Both students and school personnel will be back in school on March 1.

World Scouting now has 7,589,183 Boy Scouts and leaders in 64 nations.

The lightning-caused Haystack Fire of 1955 represents the greatest resource loss in any one forest fire in California history.

Fish, Game Seeks Lake Study Funds

The department of fish and game has requested a budget in excess of $65,000 to make a study of fishing conditions at Lake Tahoe, with the results of the survey to be applicable to Donner Lake.

This action came about through a resolution introduced by Assemblyman Paul J. Lunardi and Senators Ron Cameron and Swift Berry.

In a preliminary project statement, the department points out that angling pressure in California has doubled every ten years and that they expect about 3,000,000 fishermen by 1968. Lake Tahoe, the report says, is largely unutilized at present but provides a resource which needs development to provide satisfactory fishing for the growing army of anglers.

"Generally speaking," the statement says, "Tahoe is now a poor fishing lake. At times it provides good sport for the skillful anglers, but the casual angler is often unsuccessful. It is generally believed that angling at Lake Tahoe has declined markedly since the 1920's."

The research at Tahoe will be aimed at developing the full fishing potential through application and evaluation of a variety of management techniques, the report says. The reasons for the generally poor fishing are not known but several possible causes will be investigated.

These include: Lack of forage, lack of natural reproduction, competition, predation and basis of fertility.

Two census takers will be stationed along the California shore of the lake. These men, if provided with adequate boats, will be able to sample about 10 per cent of the total fishing pressure. This census would be designed to yield an accurate picture of the catch composition by species, sizes and ages of fish and provide a basis for estimating total use and catch.

There are several promising ways to improve fishing at Tahoe, the report says, including: increasing forage, increasing natural reproduction, decreasing competition with other species, decreasing predation and increasing the basis fertility of the lake.

Winter Driving Tip

KEEP WINDSHIELD AND WINDOWS CLEAN—When driving in snow country clean all the snow and ice off the windshield and other windows before you begin driving cautions the California State Automobile Association. Wipe off the *inside* of the windows too and keep a clean cloth handy for removing fog from side and rear windows. Make sure the heater and defroster are working properly and the windshield wiper blades are in good condition.

WOLVERINES

(Continued from Page 1)

seven free-throws. Scoring for the Tigers was pretty well divided as most of the players hit. Roger MacDonald was high for Douglas with 12 points and was followed close behind by "Big" Bill Kinkel with 10. Chuck Bergman lead the Wolverine scorers with 10.

Chuck Bergman's 25 points and a determined Tahoe Truckee team Saturday swamped the Stewart Braves 66-51, making them the first team to be beaten twice by the Wolverines.

Truckee was never ahead by too large a margin as Coach Neil Gates substituted the reserves freely.

The Wolverines started the first quarter by pulling into a 17-12 lead behind the scoring efforts of Chuck Bergman and Bill Notley. Roger Kochamp lead the Braves with six points.

In the second period the local team increased their lead to 33-21.

The third stanza was a close affair in scoring as Truckee hit for 16 points and Stewart ran up 11. Bill Notley hit three field goals to pace the attack with them all coming off of the fast break.

Roger Kochamp scored six points to pace Stewarts scoring efforts in the final period.

Although the Braves could not catch the Wolverines they played a great game all of the way.

Chuck Bergman scored 25 points to lead the scorers. Foster Kenton and Roger Kochamp lead the Stewart scorers with 15 each.

"FASTEST DRAW" AT LAKE ROTARY MEET

KINGS BEACH — Monday the Rotary Club of North Lake Tahoe held its annual "Sons and Daughters" meeting at Crystal Bay Club. The club was fortunate to have as a guest speaker Frank James, the fastest "draw" alive, and Whitey Monette, his manager.

James was a real cowboy in his earlier years, having worked on cattle ranches all over the west. Ten years ago he decided to make a profession of his hobby and he now entertains with the 45 Colts and Winchester rifles. He has given primary training to many of the western stars, but was anxious to show the children and young people that if they are to continue to enjoy the privilege of carrying arms and hunting, they must be taught these are deadly weapons.

Population of the nine-county San Francisco Bay Area is expected to exceed seven million by 1990.

Theodore Roosevelt died at Sagamore Hill, N. Y. January 6, 1919.

OLYMPICS STAMP TO BE ISSUED FEB. 18TH

SQUAW VALLEY — Postmaster Oliver Corona of Tahoe City informed stamp collectors today that plans have been made to service 350,000 first day covers of the Olympic stamp.

First day sales will be held in Tahoe City on the opening of the Olympic Winter Games, February 18.

Special canceling equipment has been sent by the postoffice department and 35 temporary employes have been hired for the two weeks of the Olympics to service the covers.

The commemorative stamp features the Olympic emblem of five, entwined links and a stylized snowflake.

Corona said philatelists all over the world already are mailing letters with first day cover enclosures.

BOLTON SELLS TAHOE PARK WATER FIRM

TAHOE PARK — The Public Utilities Commission of California announced that Stanley Z. Bolton and Lauretta A. Bolton have made application to sell the Tahoe Park Water System to Don L. Kaastrup and Margaret H. Kaastrup, effective March 1.

The water system is located about two miles south of Tahoe City and serves approximately 200 customers.

The system was installed in 1908, but the commission first found it to be a public utility by a decision dated December 7, 1929.

Year around service will be provided in the Tahoe Park and Miramar Heights areas.

LARGEST CROWD AT SQUAW ON SUNDAY

SQUAW VALLEY—A gay holiday crowd, one of the largest in Squaw Valley history, swarmed over this 1960 Winter Olympic site Sunday on what would be a perfect day for competition.

Some of the estimated 7,500 came to ski, others to skate, and many just to walk around and view facilities for the February 18-28 games.

Five ski lifts and four rope tows were running full blast.

Company Training Teletype Operators

A part time fire watcher and a full time mother worked laboriously on two machines—mysterious to them—in Tahoe City this week.

They are two of the first women undergoing a four-hour course in the operation of teletype machines.

Pacific Telephone setup the course this week when it was discovered that many foreign correspondents would be faced with no way of sending Squaw Valley stories to their homelands during the Winter Olympics.

The situation was brought to light when a visiting correspondent, Hubert Larn, of the Gothenberg Post in Sweden, arrived at Squaw Valley and found he had no operator for the teletype machines he was ordering.

Pacific Telephone immediately organized a training school, calling for some 40 volunteer typists to learn how to operate the teletype equipment.

With schools scheduled for dismissal in the area, a large number of early volunteers were students, secretaries and teachers.

The first two students were Miss Lane Endicott of Brockway, a fire watcher for the U. S. Forest Service during the summer months, and Mrs. Emery Steacy, of Donner Lake, mother of four children.

The women began training on two teletype machines in Tahoe City's phone central office. Instructor Dolores Townsend, service adviser, simulated sending and receiving messages to and from distant countries and a third machine located only six feet away from the training equipment.

According to E. J. Bean, Pacific Telephone manager in Tahoe City, Miss Townsend has played a key role in training personnel in the use of various communications facilities for the Olympics.

She was responsible, he said, for training the company's eight multi-lingual phone attendants who will be stationed at two telephone centers during the games.

Miss Townsend also helped train girls staffing the OLympic 8-1960 official phone switchboard. In addition, she has given instruction to volunteer operators at the Army Communications Annex in Squaw Valley Lodge.

There are expected to be about 40 foreign correspondents needing such operators.

The operators, in some cases, will have to learn proper grammatical symbols where foreign words call for the use of umlauts or other marks having no comparable symbols on American teletype and typewriter keyboards.

David Fordham, son of Mr. and Mrs. William Fordham has returned to southern California where he is a student in a military school.

FLAG GRABBERS ARE HELD BY OFFICERS

AUBURN—Four San Francisco Bay area students were booked for investigation at the County Jail after highway patrolmen said they had 11 flags in their possession.

Officers said the flags were taken from the decorations for the Winter Olympics in the Kings Beach area.

Undersheriff Fay Bates said numerous complaints had been received about theft of flags and decorations in the Lake Tahoe area.

Booked were John Fassio, Michael E. Corsetti, Dan Buckley and Tim Phein, all 18.

MARTIN BLATT WILL ADDRESS MOTEL MEN

KINGS BEACH — Martin Blatt, assistant executive director of the Olympic Organizing Committee, will be the speaker at a meeting of the North Lake Tahoe Chapter of the California Motel Association to be held at Bigler's Restaurant on February 11. Members and those planning to attend may call for reservations.

The discussion will be centered around plans for housing during the forthcoming games at Squaw Valley. Bill Elliott of the Rustic Cottage Court at Tahoe Vista is president of the organization.
